Rescores normally take 2-3 business days to complete. We will notify you when the bureaus have updated the account(s) in question. The file must be re-pulled as a new file to see the changes made by the bureaus.

By submitting this Rapid Rescore Request form, you acknowledge and understand the requirement of the repositories (Bureaus), that any cost associated with a Rapid Rescore cannot be directly or indirectly passed on to a borrower.

Please fax completed form to 623-889-8998 or email it to [delia@advantagepluscredit.com](mailto:delia@advantagepluscredit.com). If you have any questions give us a call. Remember to ask for the person working on your report.
